

Pracovní list - Eating and drinking the American way (reálie USA)

Pomůcky pro učitele: knížka „The USA“ od Alison Baxter, nakladatelství Oxford University Press, edice Oxford bookworms, k této knize je přiloženo CD

Tento pracovní list je vhodný pro výuku reálií USA. Obsahuje otázky (s klíčem i bez klíče) ke 11. kapitole nazvané Eating and drinking the American way z výše uvedené knihy. Učitel rozdá studentům pracovní listy. Po uplynutí krátkého času, ve kterém se studenti s otázkami seznámí, spustí učitel CD a studenti mají za úkol na otázky na základě daného poslechu odpovědět. Poslech učitel spouští 2x. Pokud je pro studenty i po druhém poslechu náročné zjistit správnou odpověď na otázku, může učitel rozdat okopírované listy z knihy a spustit nahrávku ještě jednou, přičemž tentokrát si mohou text studenti s poslechem zároveň číst. Po úspěšném zodpovězení všech otázek studenti převypráví svými slovy, co si zapamatovali. Vhodné pro studenty gymnázií (16 - 18 let)
